

# *A Story of Resilience, Hope and the Power of Collective Impact*

At Edge Solutions, our heartbeat has always been about empowerment, transformation, and creating tangible impact in the lives of those who need it most. It is with immense gratitude that we share the story of Sinethemba Skosana, a young man who epitomizes resilience, determination, and the boundless power of the human spirit.

Sinethemba was born with cerebral palsy and has no legs, yet his passion for football is nothing short of extraordinary. His skills defy logic -what he can do with a soccer ball is beyond belief. A true Giant Saint, he reminds us that limitations exist only in the mind, not in the spirit.

## *A Journey of Triumph Against the Odds*

In 2020, Sinethemba joined Giant Saints, an NPO that provides a home, hope, and opportunity for children who have faced unimaginable adversity. His parents, unable to care for him due to their personal struggles, had no choice but to let him go. Yet, in the face of abandonment, Sinethemba rose—not with legs, but with heart, courage, and an indomitable will to succeed.

Today, through the support of Edge Solutions and our valued clients, we are funding his first year of high school at Witbank High, giving him the opportunity to receive the quality education he so deeply deserves.

*This is what your support makes possible.*

+

+

To our incredible clients, partners, and supporters—your contributions are more than business transactions. They are acts of impact, of hope, and of life-changing significance. Through you, a young man with no legs is stepping into his future with unstoppable momentum.

*This is what we stand for. This is what we fight for.*

Thank you for believing in us, for standing with us, and for making a real difference. We ask that you continue walking this journey with us -because together, we are not just building businesses. We are building futures, dignity, and a better tomorrow.

With gratitude and purpose.
